

## All APC staff members are now certified through the Heart & Stroke Foundation in BLS/CPR/AED

Advanced Primary Care is committed to constantly growing and developing our services by investing in the development and continuing education of our employees. Ensuring that all of our team members are provided with up to date, innovative and in-depth training and certification.

Advance Primary Care's number one priority is the overall health and safety of our patients. As a testament to this, we are happy to let you know that our entire staff has recently been trained and certified by the Heart and Stroke Foundation in Health Care Provider level Basic Life Support (BLS) and Cardiopulmonary Resuscitation (CPR), including Automated Exterior Defibrillator (AED) certification.
